**HEALTH FORM**

I, the parent of the child, state that to the best of my knowledge, that he/she is free of any serious health problems. Is there any medical information the coach should know? For example, Asthma, taking any prescription drugs, etc.

**PARENTAL PARTICIPATION**

It is mandatory that parents participate in the program. The successful running of a program this size requires your support and involvement.

Parents will be assigned to kitchen duty, door money collection, hall and stage monitoring. Assistance is also needed with scorekeeping and clock. Schedules will be distributed.

I have read CTK sports handbook and will comply in order to have my child participate in sports at CTK.
